

THEODOROS PAPAILIOU

Curriculum Vitae

Mr. Papailiou holds a degree in Business Administration from the University of Piraeus and is a retired Certified Auditor Accountant. Since 1 June 2019, he has been retired and has been elected Chairman of Audit Committees of listed companies, including Mevaco Metallurgical S.A., Flourmills K. Sarantopoulos S.A. and Performance Technologies.

Mr. Papailiou has many years of experience in auditing, accounting, the assessment of companies' financial data, the composition of reports as Technical Expert, the development of risk assessment models, the preparation of financial position reports and the conduct of internal audits. During his professional career, he served as a Certified Auditor Accountant at the Body of Certified Auditors during the years 1989–1995 and 2004–2019, as Audit Manager at Arthur Andersen during the years 1996–2000, and as Group Financial Controller at the insurance company Metrolife Emporiki during the years 2000–2003.

During his tenure as a Certified Auditor Accountant, he has conducted audits of companies in various sectors, including listed companies, and has attended seminars on taxation, international accounting and auditing standards, internal control systems and business auditing.
